Heatley Giant - Mid \$300's - Negotiable

If you are looking for a truly large family home where you can all live together in comfort with your own private space, put this beauty on your list.

She has 4 very large bedrooms, all built in and airconditioned. 2 bathrooms. A massive office, or 5th bedroom.

Attractive entrance hall. Huge lounge, separate dining, extensive rumpus or family room. The large kitchen is well equipped with room for 2 fridges and tons of storage. The kids can roam to their heart's content in the large, private gardens with lots of lawns and shady spots to play. The large pool has been refurbished and is really private for those lovely relaxing days when you need to cool off. You can park your cars under the double carport at the front.

All in all, this home is much larger than she appears from the street. So, if it's space you need, put this one on your list. This quiet neighbourhood is well established with lots of lovely homes around and only 5 minutes to the major shopping centres. Call me to inspect the Heatley Giant.
