

South Townsville, QLD

37 Sixth Avenue

MAJESTIC 1002m2 HOMESITE SOUTH TOWNSVILLE.

Build your dream right next to the South Townsville Recreational Boating Park.

There are some great and innovative new homes springing up in this historic and newly awakening area on the city fringes. The rear lane-way access makes life much more convenient for getting those boats, vans and trucks in and out.

This beautiful spot is right in the zone with the trendy Palmer Street precinct just around the corner. Once this rare portion of this historic area goes - it's gone.

It is already 2 blocks of land, so if you are an investor, 2 beautiful new homes can be built on these 2 blocks.
