LUXURY ON THE LAKE

If you feel like waking up to the sunrise over the lake in a beautiful gated community 5 minutes from the city, this is it.

She has a huge verandah overlooking the lake where you can paddle your own canoe right off the front garden.

The house has a lake-view dining room and lounge adjoining the covered private verandah all served by the large modern kitchen.

Everything is sparkling and spacious.

Upstairs there are three bedrooms with split air-conditioning and built in robes with an ensuite to the main bedroom which has great lake and mountain views from the upstairs verandah.

There are two bathrooms and three toilets, large laundry, a double remote garage and a huge pool in the complex for those large get-togethers.
