TWO HOMES FOR THE PRICE OF ONE - \$249000.

If you have been looking for a high quality home to house your extended family, this may be the solution. It is all hidden away from the street behind a high fence and a screen of native bush.

The main house has 4 large bedrooms, a study and a utility room good for reading, you tubing, you name it. There are plenty of built in robes and air-conditioners all through. The attractive timber kitchen is large enough to really get things rolling in the cookery department with a modern oven, gas cook-top and dishwasher.

The separate house at the rear can be a great Granny Flat or a very nice earner if you fancy renting it out. It's a bright modern masonry block home with it's own driveway and covered parking and side entry. It has a huge, bright and airy living area, modern kitchen, bathroom and huge Master Suite with high Cathedral Ceilings.
