LUSH GREEN ACREAGE - \$389000

This is one Super Green Acreage at Rangewood with great bore water supply and neighbours only on one side and no-one at the rear. It's at the dead end of the road with no through traffic – total peace and quiet in continuous supply all around.

The house is a very well built 13 year old with three built in bedrooms, lovely large kitchen, lounge and dining room. With a full length front verandah and extra large rear patio, there's always a great choice of where you are going to relax in the shade.

The grounds are just perfect for kids of all ages to ride, play and just enjoy the vast green lawns all the way to the natural bushland at the rear. If they feel like playing house, they have the run of the high-set cubby house and sand pit at the front out of your way.
