See you on the Deck.

To me, this would be your main living area. Enjoy our North Queensland weather on this spacious timber deck with tropical surrounds.

The combined airconditioned lounge and dining area opens onto the deck. Airconditioned comfort throughout upstairs except for one bedroom.

All bedrooms offer builtins and fans.

The inviting kitchen features a dishwasher and pantry with easy access to the deck.

The bathroom offers a combined tub and shower.

Some feature qualities that lift the overall style of the home.

Downstairs offers some additional rooms that could be used in many ways, again just offering a little extra.

The rest of downstairs can be used for extra parking, workshop & storage.

Most of the yard is fenced.
