SOLD BY TERRY COCHRANE – “TERRY KNOWS TOWNSVILLE”

Don't miss out on a great opportunity to purchase this corner block family home located in one of the more popular areas of Mt Louisa in Greenview & would especially suit buyers or investors considering entering the property market sooner rather than later. With rents on the increase it may work out cheaper to purchase your very own home rather than renting.

With record low interest rates on offer we are definitely seeing more buyer activity in recent months with increased buyer demand/contracts from both owner occupiers & investors. Why wait to build when you can buy now. There are three carpeted bedrooms on offer with split air-conditioning & fans.

- The Master bedroom features a convenient en-suite with walk-in robe
