BREATHTAKING ACREAGE CLOSE TO THE RIVER OPEN HOME CANCELLED.

Elegant sophistication shines through in this timeless large family home, beautifully finished off and situated in a private setting, amid lush, low maintenance gardens.

The home design has a unique country feel, with its entry staircase leading to the stunning polished hardwood deck that surrounds the perimeter of the home and captures the breeze from any direction, while providing shade and passive cooling to the internal living areas. A large sail and shade blinds add to the cooling and privacy of the property.

The large living areas have polished timber flooring, whilst the bedrooms have new quality carpet. Everything in the home is supersized...living areas and bedrooms, all with built ins. A central corridor and 2.7m high ceilings aid the natural air flow, necessary in the tropics.
