VACANT POSSESSION, TWO LIVING AREAS, BE QUICK THEY ARE SELLING SO FAST!!

The Townsville property market is on the move with BIG buyer demand from local & interstate buyers. "Cashed up" southern buyers are snapping up properties as soon as they hit the market, making very hard for local homebuyers to enter the market.

So, don't miss out on an opportunity to purchase this great family home offering vacant possession. YES... MOVE IN ASAP. This property would ideally suit owner occupiers or investors wanting to enter the property market right now.

For those people renting & with rents on the increase, it may work out cheaper to purchase your very own home rather than renting.

There are three carpeted bedrooms on offer with air-conditioning, built in robes & fans.
