BIG 2,323m2 BLOCK, LARGE SHED, SO, SO MUCH POTENTIAL!!! SOME LOVE REQUIREDâ€

The Townsville property market is on the move. House values & rents are rising. There is still good buyer enquiry/ demand from local owner occupiers & cashed up southern buyers & investors.

Don't miss your opportunity to buy a big home, situated on a big block with an existing big shed, located in popular Mount Low.

This great "Glenwood built" family home was previously rented and unfortunately was not left in a very nice way. The home would greatly benefit from an internal paint, new carpets/ flooring & curtains which would value add to the property immediately.

The owner has decided to "sell as is" so at least that offers you as the new owner a chance to carry out some reno's & personalize to their own decor choices & tastes.
