Fantastic High-Set on Popular 923 sqm Corner Block

Set on a highly coveted 923 sqm corner block, this spacious family home is a blank canvas ready for you to add your own personal touches. With polished wooden floorboards, three generous sized bedrooms, an outdoor spa and enough room for a pool or shed, it has plenty to offer the growing family.

The house features a modern kitchen with electric oven, double sink and plenty of cupboard space. The open plan lounge and dining area makes entertaining guests easy, while large windows throughout the home allow in cool breezes and natural light.

Underneath the house is fully enclosed and includes the laundry and a separate room which could easily be turned into a workshop or used for storage. With the ability to make it your own, this property is a great purchase for first home buyers and investors alike. There is plenty of space at both the front and rear of the property, and two sets of double

gates make it easy to access the yard.

This truly is a neat and tidy, well-presented
