Huge Block, Large Home, Stunning Pool & Deck.

This Amazing Home was originally built as a genuine 4 bedder. The current owner fully renovated the home and re-designed it to create 2 enormous bedrooms, with the main bedroom having a very large walk-in dressing room. It can easily be converted back to a 3 bedder if so desired. It would just be a case of replacing a wall, and create a new doorway entry.

The new bathroom is simply stunning, built to perfection with no expense spared, colours and quality is second to none. Every square inch of this home has been remodelled.

The large upstairs deck over-looks the beautiful concrete pool, creates the feeling of resort style living. Located within walking distance of Vincent Village Woolworths, minutes to schools, parks and sporting amenities make this an ideal place to come home to. Suit an owner occupier or investor. GREAT VALUE FOR MONEY!!!
