Investors & Owner Occupiers

This family home is situated in a good street and neighbourhood. It has been owned by the same family since 1993, while the home was built in about 1980. Through the years it's been modified and added to. The property needs some work carried out although the bones are good. It has so much potential, with many of the big-ticket dollar items already having been upgraded.

Only minutes to the beautiful Ross River including Loam Island boat ramp, jetty and parkland where the family can enjoy boating, fishing, jet skiing, walking and bike trails. Close to established convenient local shops, quality schools, day care.

Willows Shopping Centre and access to the ring road connecting you to James Cook University, Townsville University Hospital and Lavarack Barracks, all within a short drive.
