SPACIOUS AND PRIVATE HIGHSET FAMILY HOME

Established trees and gardens give this spacious highset home a lush, tropical feel. Privacy has also been maximised by these unique surrounds which help set this house apart from the rest.

Beautifully presented, this property captures sensational breezes that flow through the home from each of the timber bifold doors. The open plan kitchen, living and dining area has brand new, easy clean flooring, while the internal stairs lead down to the versatile second living area and additional room.

This light and airy contemporary house features a country style kitchen, with large gas stove for the home cook. Entertaining is also made easy with a spacious deck that has plenty of room for a BBQ and overlooks the shady backyard. There is also a front patio which is a great place to enjoy a morning coffee.
